

WEEKLY NEWSLETTER

Summer Term ~ Issue 10~ Friday 4th June 2025

Message from Miss Caygill Head of School

Dear parents/carers,
With us coming to the end of term we continue to still have a great deal of events going on in and out of school for all the children. **Please continue to read the newsletter for information and updates.** Please also contact the office or speak to Miss Caygill or another member of staff if you have any questions. It was great this week to carry out our transfer/induction morning where the children sampled their new classes for September. The children were able to experience a morning in their new classes and also ask any questions they wanted around concerns they may have. Most of our Year 6 children have also enjoyed their transition days to secondary schools this week. They have returned to school talking excitedly about these visits and we wish the Settlebeck children luck with their taster day next week. We look forward to welcoming parents and families into school next week for our KS2 performance on Tuesday. Please read further down the newsletter for information around this. Thank you to all for your support and involvement at our Sports day which we managed to complete even though the weather stopped us last week. A great end to the week for us all. Enjoy your family weekend!
Miss Caygill

This week's **STAR LEARNERS**

Class 1 - Jack F for his super work and progress in his maths learning
Oakley for his thoughtful attitude towards others
Class 2 – Eva for super use of scientific vocabulary during our investigation work.
Sebastianas for tying hard and making improvements in his reading fluency and understanding.
Class 3 – Ewan for always giving 100% in all of his work.
Zach for his continued positive attitude and making everyone smile!

Harry
For his positive attitude around school, towards learning and whole school activities.
A super role model

School Office Updates

Upcoming Dates

In preparation for our busy end to the summer term we include some important dates for parents over the next two weeks. Please speak to a member of staff if you have any questions.

KS2 or Y5/6 Production- Tuesday 8th July 2pm and 6pm-see below

Reports out to parents- Friday 11th July

Class 1 visit to Bolton castle-Tuesday 15th July-see below

Leavers assembly-Friday 18th July at 9.30 in the school hall for Craig Iveson winners and year 6 parents and families

KS2 Performance -Tuesday 8th July 2pm and 6pm

The school will be **open from 1.45 and 5.45** for parents and families to take their seats ready for the performance next Tuesday. The children need to be in school from 5.30 onwards in the evening to prepare costumes/face painting for the performance. Please feel free to wait in the yard beforehand and then staff will let you in to sign in before the performance. This is covering health and safety and fire regulations from NYC which as a school we follow.

Please be aware that we have some children in school who are not allowed to have their photos taken or shared with others through social media sites. Please do not take photographs of the performance. School staff will endeavour to take photographs during the dress rehearsal, which can then be shared on the Facebook page.

Nursery Lunch

The Nursery children will be staying for lunch in the canteen next Monday 7th July in preparation for them starting Reception in September.

The children will need picking up from the school canteen next to Dalesplay at 12.25 on that day.

Please can Nursery parents pay for the lunch through Parent Pay. If you have any problems with this please speak to Julie in the office.

Class 1-Bolton Castle

On Tuesday 15th July the reception, year one and year two children are going to visit Bolton Castle which links to their history learning from this term (They are very excited!).

The children will leave school at 9.10 and be back before home time travelling on Fosters Coaches. The children will tour the castle but will also be involved in planned activities including dressing up, dancing and crafting activities.

The children will be provided with a school packed lunch prepared by Tony in the kitchen. They will need to provide their own water/drinks bottle.

Please could any parents who have not filled in the consent form return this to school on Monday.

We would like to thank the PTFA for funding all of this trip for our youngest children.

The Nursery children will not be going on the visit but will have a special animal themed book event for the morning in school with Mrs. Brown including a picnic for snack time.

Head Lice in School

We have had a reported Head Lice case, please check your children and treat if necessary.
