

# Computer Skills

**Free course coming soon  
to Hawes Market Hall**

**Thursday 16th October and Thursday 23rd October  
9.30 - 11.30am**

Enhance your digital literacy with our “Computer Skills” course. This course will cover essential computer skills, from navigating the operating system to managing files and using key applications. You’ll learn the basics of how to create documents, browse the internet safely, and use email. By the end of this course, you’ll feel more confident and capable in using your computer for both personal and professional tasks.

**All welcome. Bring along your own laptop or borrow one of ours**

**Mobile Skills course also available**
