

# Master your Mobile Phone. Essential Skills and Apps

**Free course coming soon  
to Hawes Market Hall**

**Thursday 2nd October and Thursday 9th October  
9.30 - 11.30am**

Unlock the full potential of your smartphone with our “Master Your Mobile” course! This course covers essential skills and must-have apps to enhance your daily life. Whether you’re a beginner or looking to boost your tech-savviness, you’ll learn how to navigate your device, manage settings, and utilise apps for communication, productivity, and entertainment.

**All welcome. Bring along your phone.**

**Computer Skills course also available**
