## Message from Miss Caygill Head of School

Dear parents/carers,  
It has been a quiet week in school with our KS2 children on their residential in York. Class 1 have enjoyed playing in the yard and have even been able to carry out some lessons in Class 2.

The children in KS2 have had an amazing experience in York visiting various sites and learning lots of new things.

They have worked on their life skills, including serving themselves food and changing their beds. I know the children came back tired but the experience they had will remain a memory for life.

I would like to thank Mrs Foxwell for her meticulous planning and organisation of the visit and to Mrs Brown and Mrs Marwood for accompanying the children on the trip. I know you will all join me in this, knowing the time and effort that goes into such an amazing event. Also, thanks to the Tolls Trustees and the PTFA for the financial donations that allow such residential to happen.

Wishing you all a super weekend.

Miss Caygill

If not please phone or e-mail the school office, and an appropriate time can then be made to speak in person or on the phone to the relevant member of staff. ### RSE Policy

As a school we have updated our RSE (Relationships and Sex Education Policy) in line with the new guidance coming in September 2026. As part of this process, we need to consult with parents around their views on the policy.

Please read the policy that was attached last week and if you have any comments or concern then please e-mail the school admin with your comments or speak to Miss Caygill in the yard.

### Sports Day

Our proposed Sports Day is Friday 26<sup>th</sup> June run by Mr B. This will be in the afternoon and start about 1.15. The school gates will be open for parents and families at 1.00. This is always a well-attended event and we hope you can join us on the day. All the children across school from Nursery to year 6 will take part. If the weather isn't suitable, we will decide by 10.00 of that morning. Our alternative date is Friday 3<sup>rd</sup> July.

### Rivers4Life-Dales Countryside Museum

Last Friday we were able to take four KS2 children to the museum for the opening of their new interactive exhibition Rivers4Life. The children were excited to see their work from the Autumn Term displayed as part of the exhibition. It is a wonderful exhibition for children and adults to explore together. It is open until 27<sup>th</sup> September 2026.
